DDA

POWERFUL

DDA is a three day Catholic encounter-style retreat for teens ages 14-18, helping them develop a relationship with God and faith community which further builds the Church. Participants experience God's love in a new way through faith sharing activities and talks by peers and adults.

LIVE

DDA Empowers teens to actively participate in their faith and learn to bring to LIFE our Catholic tradition:

STUDY: Peers and adults help teach the faith and its relevance for everyday living

PRAYER: through Mass, Reconciliation, Adoration and peer-led prayer services teens experience both consolation and a hunger for more

ACTION: A supportive faith community of peers and adults encourage, advise, and give practical tools to help LIVE the Christian faith in today's world.

1. Empowering one to live as a disciple of Jesus in the world today
2. Support family as a Christian community
3. Responsible participation in parish faith community
